Dear _____,

My name is _____. I recently learned that you have received an invitation to participate in the upcoming introduction to the KAIROS program. I think you'll find you made a very good decision.

I am one of the team members who will be introducing you to the program. The introduction to KAIROS is presented in two parts: Part 1 is scheduled for _____. Part 2 is scheduled for Saturday, _____. Here's a brief description of what you will learn:

Part 1: This part of the program is commonly referred to as "The Three Days." It introduces you to KAIROS and offers you an experience of what it is like to live in a Christian community focused on making Christ come alive in the world. You will have an opportunity to reflect on your own life and on the life of Jesus and how you can share in the life of Jesus on a daily basis. The Three Days is an introduction to "The KAIROS Method."

Part 2: This part of the program introduces you to "The Fourth Day," which you can think of as the rest of your life. You will learn of some of the obstacles to living the Christian life and how to overcome them. You will be introduced to the concept of a weekly "Prayer and Share Group" which is the heart of The KAIROS Method. The Prayer and Share Group is an invaluable tool to help you live the life of Jesus on a daily basis. We simply cannot do it by ourselves.

For Part 2 of the program, members of the Buckingham KAIROS community who have already completed the program will join you at your table and participate in this part of the program right along with you. You will get to know them and hear their stories of how KAIROS has changed their lives. You'll learn how a Prayer and Share Group works and have an opportunity to participate in a Prayer and Share Group session with experienced KAIROS brothers.

If you are to get the most out of the KAIROS program, it is essential that you participate in both Part 1 and 2 of the introduction. Therefore, you are asked not to schedule other events during the two weekends of the program. If you have family or friends who want to visit during these two weekends, please ask them to delay their visit until the weekend after. I think you'll find you will have a lot to share with them. If you don't want to delay visitors coming during the two weekends, then please reapply for the next weekend in _____.

I'll be greeting you when you arrive on Thursday evening. I'll be available to answer questions or to help solve any problems that might come up.

I'm looking forward to meeting you.

Sincerely,
